To E. W. Locke, Author of "Down by the Sea."

## THE OLD LOG CABIN IN THE DELL.

### SONG AND CHORUS.

Words and Music by C. A. WHITE.

Author of "The Old Home ain't what it used to be," "Homeless to night,"  
"Come, Little, Come," "Put me in my Little Bed," &c.

The musical score is written in 4/4 time with a key signature of one sharp (F#). It begins with a piano introduction marked "ANDANTE". The introduction consists of two staves: a treble staff with a single note (F#4) and a bass staff with a series of eighth notes (F#3, G3, A3, B3, C4, D4, E4, F#4). The main melody is in the treble staff, and the piano accompaniment is in the bass staff. The lyrics are as follows:

1. I am drift - ing down de hill of life, I nev - er can work a - ny more; But de  
2. When they speak of how I'se gwine to live, I don't 'zact - ly know how 'twill be, But I  
3. Ma - ny chang - es I have passed in life, Some hard ones I don't like to tell— But dere

home of childhood still I love The same as in bright days of yore:  
 don't 'spect want will eb - er come, While mas - sa libs who set me free:  
 soon must be a - nod - er change, In de old Log Cab - in in de Dell:

I've laid down de spade and de hoe, With sor - row de heart ne'er can tell; And  
 He al - ways did like all de hands, He was sad when he bid dem fare-well; I  
 The an - gel of peace will be dere: Wid de keys of de home where he dwell; And

now I'se gwine to lib and die In de old Log Cab - in in de Dell.  
 don't think he would see dem starve In de old Log Cab - in in de Dell.  
 den I'll bid a long fare - well To de old Log Cab - in in de Dell.

## CHORUS.

*Soprano.*  
I'se go - ing, go - ing back to de home I love so well, And

*Alto.*  
go - - ing, go - - ing back to de home I love so well,

*Tenor.*  
go - ing, go - ing back to de home I love so well,

*Bass.*  
go - ing, go - ing back to de home I love so well,

*Accomp.*

now I'se gwine to lib and die In de old log cab - in in de dell.

now I'se gwine to lib and die In de old log cab - in in de dell.

now I'se gwine to lib and die In de old log cab - in in de dell.

now I'se gwine to lib and die In de old log cab - in in de dell.

## INTERLUDE.
